

## Year 6 Optional Homework for Let There Be Light

<p><b>Predict and research</b></p> <p>When do you think the first toy was invented? Research who invented it and when. Does their invention look similar to modern toys?</p>	<p><b>Toy Department</b></p> <p>Choose a toy that is currently for sale and evaluate it – what does it do well? What improvements can be made?</p>	<p><b>Crumble Creations</b></p> <p>Research or create your own recipe, using a crumble base or crumble decoration!</p>
<p><b>Junk Modelling</b></p> <p>Create your own model toy store or toy using recycled materials.</p> <p>Take a photograph and upload it on the Year 6 blog.</p>	<p><b>Storytelling</b></p> <p>Write a story with your main character as a toy. What adventures could they go on?</p> <p>You could use Toy Story as inspiration!</p>	<p><b>Sketching</b></p> <p>Many toys begin in the design department – design your own toy, listing its key features and USP. Create an advert to sell it to the public.</p>
<p><b>Sparking Ideas</b></p> <p>Electricity is everywhere! Create a poster encouraging people to <b>only</b> use electricity as a source of power and <b>not</b> fossil fuels (gas/oil)</p>	<p><b>Character Description</b></p> <p>Watch the clip from Cars: <a href="https://www.youtube.com/watch?v=pXWlMh3rgfc&amp;list=PLiAyVWLOMrduyTngj1S6tBTh7cenedo4i&amp;index=5">https://www.youtube.com/watch?v=pXWlMh3rgfc&amp;list=PLiAyVWLOMrduyTngj1S6tBTh7cenedo4i&amp;index=5</a></p> <p>Create a character description of Lightning McQueen.</p>	<p><b>Famous Findings</b></p> <p>Research the scientist associated with the discovery of electricity and create a short biography about them.</p>
