Number Formation Rhyme

Number 1 is like a stick, a straight line down, it's very quick!

For number 2, go right around, then make a line across the ground.

Go right around, what will it be? Go round again to make number 3.

Down and over and down some more. That's the way to make a 4.

Go down and around and then you stop. Finish the 5 with a line on top.

Make a curve, then a loop. There are no tricks to make a 6.

Across the sky and down from heaven, that's the way to make a 7.

Make a 'S' and then don't wait. Go up again to make an 8.

Make a loop and then a line. That's the way to make a 9.

Make a 1 and then an 0, 10 is every finger you know.
