

March 2018

Dear Applicant,

Thank you for requesting our application pack for our KS2 Class Teacher vacancies. We are seeking to appoint two enthusiastic and knowledgeable KS2 Teachers to join our KS2 teams in September 2018. Teachers work collaboratively with their year group partners and share planning and assessment.

We hope the enclosed information will enable you to gather a very positive picture of the Queens' Federation. Queen Edith and Queen Emma Primary Schools are dynamic schools with all members of our community making a significant contribution to the development of the Federation. For experienced teachers there will be an opportunity to discuss Subject Leadership roles and to look at career development at interview, however, one of our posts would also be appropriate for a teacher completing their NQT year or at the beginning of their career.

In September 2011 Queen Edith Primary School formed a Federation with the new Queen Emma Primary School. The Federation is led by one Governing Body and one Executive Headteacher. The benefits of sharing knowledge and expertise are undoubtedly felt in both schools and enable staff to create and manage two highly effective and successful organisations.

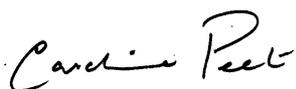

As the school will be closed over the Easter Holidays we have scheduled an opportunity to visit our schools at the start and end of the day on Tuesday 17th April 2018. If you would like to attend, please let Zoe Vassiliou know zvassiliou@queensfederation.cambs.sch.uk and she will respond to you on Monday 16th April 2018. For applicants who are called for interview, there will be an opportunity to have a tour of our schools during the day.

The closing date for application forms is Monday 23rd April by 4.00 pm. References will be taken up before the interview date and the successful candidates will be required to complete a DBS check and a health check before their appointment can be confirmed.

We very much look forward to hearing from you.

Yours sincerely,

Caroline Peet
Executive Headteacher
